MISSION STATEMENT

We promote a FUN, introductory, competitive experience for all participants.

Compete USA is designed to promote a positive competition experience at the grassroots level and increased skating participation while generating enthusiasm. Compete USA competitions incorporate skills from Learn to Skate USA and U.S. Figure Skating into a competitive format that can be easily and successfully conducted by registered Learn to Skate USA programs and U.S. Figure Skating member clubs or interclubs.

The competition is open to any skater who is a current member of Learn to Skate USA or is a full member of U.S. Figure Skating. Non-members are eligible to register for competition but must be a registered Learn to Skate USA or U.S. Figure Skating member to compete. There should be no more than six competitors maximum in a group, and all six should receive an award.

Several references in this manual will be made to U.S. Figure Skating rules, which can be found in the official U.S. Figure Skating Rulebook.

The ideas presented in this manual are meant to assist you in designing and running your competition. Remember to keep the best interests of the skater in mind. Feel free to add additional events to enhance the success and enjoyment of your competition.

PRECAUTIONARY MEASURES AND RISK ASSESSMENTS

With the COVID-19 pandemic, it is important to outline measures that will be taken at the competition. While these don't have to be specific, add a statement to the announcement that the competition will follow local and state guidelines current at the time of the competition. Include a communication plan to inform participants about specifics (i.e., mask required inside except when on ice, etc.) at least a week prior to the competition so they are prepared when coming to the rink.

U.S. Figure Skating recommends that hosts have a short (two-week) registration period once the application is published. This is helpful as skaters often register at the last minute, and the LOC won't have to process as many refunds if the competition date has to move or be canceled.

Rules for Compete USA Competitions

3100 Rules for Compete USA Competitions

3110 Compete USA Competitions – Approvals

3111 Compete USA competitions may include events for skaters who have passed no higher than the preliminary free skate, pre-bronze pattern dance or adult bronze free skate tests without applying for a U.S. Figure Skating sanction. However, an approval number is required and may be obtained from the appointed Learn to Skate USA representatives. See also rule 3112.

3112 When a Compete USA competition is held in conjunction with a sanctioned nonqualifying competition, approval as required by rule 3111 above must still be obtained.

3120 Compete USA Competitions – Officials

3121 For Compete USA competitions, three judges not related to the competitors are required for each event. Judges may be any official U.S. Figure Skating or Skate Canada judge or any other qualified eligible or ineligible person in skating who is a U.S. Figure Skating member and/or a Learn to Skate USA member.

3122 For Compete USA competitions, the member club or other organization sponsoring and conducting the competition shall approve all judges and officials. All persons serving as judges and officials shall be at least 16 years of age.

3130 Compete USA Competitions – Announcements

3131 For all Compete USA competitions, a copy of the announcement and an approval request shall be sent to the appointed Learn to Skate USA representative for approval and issuance of a Compete USA approval number 30 days prior to the release of the competition announcement to the public. The approval is to be publicly displayed during the competition.

3132 Compete USA competitions will follow the event structure as outlined in the Compete USA Manual. Any registered Learn to Skate USA program may conduct a Compete USA competition.

3133 When Compete USA competitions are held on the home ice of a U.S. Figure Skating member club, the member club shall be designated as the sponsoring club.

3134 Compete USA competitions may be:

- A. “In house” — the competition is available only to those skaters who are members of the club or pro-gram conducting the competition, or
- B. “Open” — the competition is available to any registered Learn to Skate USA member or full U.S. Figure Skating member.

3055 Entries

At nonqualifying competitions, if only one eligible competitor/team enters an event, the competitor/team will be offered the option to skate an exhibition, compete in an equivalent event one level above or one level below (as qualified by test level) or, for pre-juvenile and lower singles events, compete in an equivalent event against skaters of the opposite gender.

- A. If said competitor chooses to skate an exhibition, judges will award their marks according to the rules and the applicable judging system used, and the competitor/team will receive first place.
- B. If said competitor chooses to compete in an equivalent event against skaters of the opposite gender, the skater will be entered accordingly.
- C. If said competitor/team chooses not to skate, the entry fee will be refunded, and the event will be canceled.

Showcase Events

Showcase events are open to skaters in the Basic, Free Skate, limited beginner, preliminary and adult bronze levels. Groups will be divided by number of entries and ages if possible. Skaters with physical disabilities may register for standard track or Skate

United track. Skaters with intellectual disabilities may register for Special Olympics events. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

** For specific guidelines regarding the conduct of showcase competitions, refer to the nonqualifying showcase guidelines posted on usfigureskating.org.*
