All Skaters

All girls should wear plain tan/nude footed tights with their costumes. Please do not use over-the-boot tights or decorated/sequined tights. You can find skating tights at Cooke's Skate Supply in Wilmington, or we recommend [Mondor tights on Amazon](#), available in both child and adult sizes. Other brands are fine as long as they are the same style. Make sure your skates are nice and clean! Wash laces, polish/clean scuffs. Consider getting your blades sharpened a couple of weeks before the show.
